

LinkedIn Recommendations - Jonathan Blackburn

Fabio De Gouveia – Group Marketing Manager | Product Owner | Musician

“Jonathan’s tenacity is only rivaled by his aspirations.

When it comes to making the world a better place and leveraging business to do so, he knows exactly where he stands and how to do it.”

Eyal Shalev – Founder/CSO Seed2Shelf GmbH / iMed Medical Group

“Jonathan is one of the hardest working people I know. He is a natural-born leader who sees 3 steps ahead.

He is always there to help even if it’s on the lab floor. Jonathan is a great motivator and leads by example.

It is a great pleasure and honour to work alongside him.”

Philip Gouws – Global Business Consultant

“Jono is one of the most inspiring people I have had the pleasure to work with. His level of integrity, passion and commitment to all he does is second to none.

I would recommend Jono for any service, partnership or collaboration.”

Stephan du Toit – Director at Picture Perfect Interior Solutions

“IMED Medical Group with Jonathan Blackburn as CEO is an innovative company with great customer service. I highly recommend using their services.”

Paul Mngobozi – Organon KAM Lead | Global Pharma | Med Tech

“Jonathan has recently and appropriately been recognised as one of Top Entrepreneurs in the Country.

As the Founder & CEO of IMED Group, a Blue Chip organisation whose work in the market has had a great positive social impact.

As an individual Jono, as affectionally known, a devoted family man, a patriot and most importantly a brilliant mind.

He is great pleasure to know and an ideal partner in any business project.

Congratulations Jono for the milestone achieved and cheering you on.”

Francois de Kock – Sales & Business Development Specialist (Technology)

“Jonathan is a detail-oriented, outcomes-focused businessman with client-centred outlook.

He gets the job done no matter the scope of the project. Entrepreneurship and leadership flow in his veins.”

Jason Ioakim – Managing Director @ Argo Investment Holdings

“Jonathan Blackburn was referred to me by another client over 6 years ago and I had no idea how much I’d learn from this relationship.

I have seen him personally grow into such an entrepreneurial genius.

His will to improve other people's lives whether his clients or his staff has always been such a driving factor in his businesses.

He lives to make a difference. It is inspiring.

There is always an opportunity and if you wanted to sit down with someone who has been on the brink and then turned it around I’d go have a coffee with him.

You’ll not regret it.”

Christine Jooste – Business Owner (Food supply, catering, events)

“Ethics & sincerity is the phrase that comes to mind when I think about Jono.

He has been a source of inspiration to me the past year.

Above all his customer service is outstanding.

Jono is detailed orientated and only satisfied with the best!

He also never stops reaching out to people.

It is always a privilege doing business with him!

I definitely recommend him and his expertise.”

Noel Pastor – Business Owner

“Jonathan has a fantastic work ethic and runs his company extremely well, with honesty and fairness being his strong points.

He is extremely diligent and has a keen eye for detail.

He is consistently involved in all aspects of the business which is a great contributing factor to its success.”

Ronny Gell – Director at Ric Martin Attorneys

“Jonathan and his team at Elite Technologies have always delivered great service with an all-encompassing technical understanding.

I will definitely recommend them.”

Derick Haywood – TP-Link Brand Manager at Linkqage

“Since meeting Jonathan 3 years ago I have been amazed by his knowledge and his ethical professionalism.

He is a true example of a real business person who treats his customers and suppliers equally good.”

Wendy Krause – Owner at Minuteman Press Silverton

“Jono is always ready to go that extra mile to find the right solution for your dream cinema room or upgraded board room.

He has the expertise to find the best solution for you.

All the high-tech gadgets are just mind boggling. Thanks Jono.”
